

MR. GALELLA'S FALL HARVEST NEWSLETTER

11/6/14

Dear DEC Family, First and foremost, our family at DEC would like to extend best wishes to all of our students and their families for a happy and safe holiday season as Thanksgiving approaches. A time for sharing and reflection among families - FAMILY... the nucleus & foundation to all children. In order to raise a curious, thoughtful youngster, show him/her that learning doesn't end during extended breaks from school or even when you grow up. Here's how. **SHARE YOUR DISCOVERIES:** *You've probably asked your child after school, "What did you learn today?" Why not tell your child what you've learned, too? You could take turns around the dinner table sharing one thing you know now that you didn't know when you woke up.* **ASK QUESTIONS:** *Have you ever wondered why geese fly in a V formation or whether an avocado is a fruit or a vegetable? Try asking your child. If she/he doesn't know either, look it up in a library book or online. They will see that you want to learn new things – even though you're an adult!*
